First section

Second section

## **First section**

---

This is a text in second frame. For the sake of showing an example.

- Text visible on slide 1 and later

This is a text in second frame. For the sake of showing an example.

- Text visible on slide 1 and later
- Text visible on slide 2 and later

This is a text in second frame. For the sake of showing an example.

- Text visible on slide 1 and later
- Text visible on slide 2 and later
- Text visible on slide 3 only

This is a text in second frame. For the sake of showing an example.

- Text visible on slide 1 and later
- Text visible on slide 2 and later
- Text visible on slide 4

In this slide

In this slide  
the text will be partially visible

In this slide

the text will be partially visible

And finally everything will be there

## **Second section**

---

In this slide, some important text will be **highlighted** because it's important. Please, don't abuse it.

## **Remark**

Sample text

## **Important theorem**

Sample text in alert box

## **Examples**

Sample text in example box. The title of the block is "Examples."

This is a text in first column.

$$E = mc^2$$

- First item
- Second item

This text will be in the second column and on a second thought this is a nice looking layout in some cases.

$$\int_{-\infty}^{+\infty} e^{-x^2} dx = \sqrt{\pi}$$

**Questions?**
